Dear owner,

The board has decided, due to the inconsistent service we have been receiving from Don Asher, to change the management of the Home Owners Association to Mid Florida Property Professionals Inc.

In order to facilitate a smooth transition The Board ask that you carry out the instructions in their enclosed letter in respect of future fee paying and if you have any queries do not hesitate to contact them or myself at any time.

It is essential that the new management have your correct details for their records and I ask you to complete the form on the HOA website by logging onto [www.westridgemanors.com](http://www.westridgemanors.com) and select the owner details page thereon.

If you do not have internet connection please forward your details by Mail to Mid-Florida to the address on their letter. It is becoming more important that we have your correct e-mail address in order that swift contact can be made with you in an emergency.

Please remember at all times if satisfaction of a problem cannot be resolved please contact me at [arthurjbrown111@btinternet.com](mailto:arthurjbrown111@btinternet.com) and I in conjunction with the board will endeavor to assist you.

Kind regards,  
Arthur Brown
