"Put your guests in the picture with a 360 Virtual Tour"

Picture2Movie DVD

Florida Villa Network would like to provide you with another great marketing tool for your Florida investment. A feature packed **Picture2Movie DVD**.

- o Would you like a new type of marketing tool to capture potential guests?
- o Think a movie would be too expensive?
- o Unless professionally captured, it would not really promote your villa the way you would like.

Well we believe that we have the perfect solution for you. A **Picture2Movie DVD**.

Introduction

FloridaVillaNetwork will integrate your digital pictures and blend them into a magical slideshow movie customised just for your villa. This will wow your future guests and best of all; they can show their friends too, which will further promote your villa. What is special about this product? **FloridaVillaNetwork** will hand edit and add movement to your digital pictures, add special affects like pan, zoom and transitions that bring your pictures to life. We also add background music and titles, all provided on a personalised DVD disk which you can give to your guests. Finally it will be hosted on our servers for guests to view via the web. This is a fantastic showcase for your villa.
